The Michaels Wedding 2026

The Wedding Weekend

For the weekend of the wedding, we suggest staying in areas such as Stellenbosch, Franschhoek or Paarl as they are closest to the venue. You can stay in Cape Town and Uber/drive to and from Nooitgedacht, but this is a further trip. Some more info of each area below:

- Stellenbosch

Closest to the wedding venue. There are lots of amazing guest houses and B&Bs in the center of Stellenbosch, which is a lovely place to be to walk about for restaurants, shopping etc. But there are also great Airbnb's and cottages just outside Stellenbosch on farms and estates.

- Franschhoek

A little bit further from the wedding venue, but still a great option to stay in. Lots of amazing wine farms around here with French Heritage and is a really picturesque village. This is where the Michael's and de Villiers will be staying over the wedding weekend. In terms of types of accommodation, this is the same as Stellenbosch with guest houses, Airbnb and cottage accommodation on estates/farms.

Cape Town

For the weekend of the wedding, we suggest staying in areas such as Stellenbosch, Franschhoek or Paarl as they are closest to the venue. You can stay in Cape Town and Uber/drive to and from Nooitgedacht, but this is a further trip. Some more info of each area below:

- Atlantic Seaboard

The Atlantic Seaboard includes the coastal strip of The V&A Waterfront, Green Point, Sea Point, Clifton, Camps Bay and Bakoven. Any of these are a great (and our favourite) option to stay as you are super central to beaches, city and mountain.

- Tamboerskloof

This suburb offers a quieter retreat with stunning city and mountain views, while being just a stone's throw from the city's buzz and a pop over the mountain to Camps Bay beach.

- Constantia

Slightly more “suburban:” setting surrounded by the stunning mountains and vineyards. With easy access still to the city and beaches (around 25 min drive)

- Kalk Bay/St James

The opposite coast to Atlantic Seaboard - much more relaxed and quirky. Loads of amazing cafes, eclectic shops and tidal pools. Very community oriented. Right next door to Muizenberg and Kommetjie for surfing. Has Chapman Peaks drive to connect you to Cape Town (which is around a 45 minute drive) and a bit further along is Simonstown with the Penguin Boulders Beach.
